SAFETY DATA SHEET

OZZY MAT

8 EXPOSURE CONTROLS / PERSONAL PROTECTION

Protective Equipment

Wear protective gloves (Rubber or Plastic). Avoid breathing dust. Refer to section 15.

9 PHYSICAL AND CHEMICAL PROPERTIES

The properties in this section are typical and may be varied or updated by the Manufacturer to reflect changes in product design at any time.

10 STABILITY AND REACTIVITY

Stability: Stable under normal conditions.
Conditions to avoid: Avoid Exposure to moisture. DO NOT WET UNTIL READY TO USE.
Materials to avoid: No specific, or groups of materials are likely to react to produce a hazardous situation.
Hazardous Decomposition Products: Thermal decomposition will produce irritating fumes.

11 TOXICOLOGICAL INFORMATION

Eye contact may cause soreness if not dealt with promptly. Eye tissue may be irritated or damaged if exposure is severe and unattended to or if repeated contact occurs. Inhalation of the contents of the filter should be prevented due to unknown long term effects. It is unlikely that exposure will require treatment because product is considered to be a dermal non-irritant and a mild ocular irritant.

12 ECOLOGICAL INFORMATION

Aquatic toxicity: Preparation is not classified as toxic to aquatic organisms.
Degradability: Active ingredients are biodegradable.
Mobility: Not expected to be persistent in the environment.
Bioaccumulative Potential: No evidence for.

13 DISPOSAL CONSIDERATIONS

Refer to section 6. Arrange removal by disposal company (use only licensed waste hauliers and disposal contractors). Observe all local and national waste disposal regulations.

14 TRANSPORT INFORMATION

Ozzy Mat: This preparation is not classified as hazardous for transportation. ADR: LQ not applicable.

15 REGULATORY INFORMATION

Ozzy Mat: Preparation is not classified as hazardous for supply by CHIP regulations.
Store in the containers provided avoiding extremes of temperatures.

Note: The information contained in this product safety datasheet and/or product label and/or other user information does not constitute an assessment of workplace risks as required by other Health and safety regulations.(e.g. Control of Substances Hazardous to Health Regulations(COSHH)). Individual countries may have other appropriate legislation for assessing risk and establishing safe working practices.

16 OTHER INFORMATION

Refer to Section 1 . No other usage is recommended unless advised in writing by Pure Clean Waste Solutions Ltd.

The information in this datasheet is based on the present state of our knowledge of the product at the time of publication. It is given in good faith, no warranty is implied with respect to the quality or the specification of the product. The user must satisfy himself that the product is entirely suitable for his purpose.

Legal disclaimer: The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. Pure Clean Waste Solutions Ltd shall not be held liable for any damage resulting from handling or from contact with the above product.
